

MOTION BY SUPERVISOR GLORIA MOLINA

August 30, 2005

The California District Attorney Investigators' Association (CDAIA) represents over 1,400 investigators by providing training opportunities, management forums, continuing education and legislative solutions all geared toward improving the profession of law enforcement and the quality of life for all Californians.

In recognizing August 29 - September 4, 2005 as "California District Attorney Investigators' Association Week," Los Angeles County joins the District Attorney in honoring the 50th Anniversary of CDAIA, in conjunction with their annual training conference.

I, THEREFORE, MOVE THAT the Board of Supervisors hereby proclaim August 29 - September 4, 2005 as "California District Attorney Investigators' Association Week" in the County of Los Angeles and recognize the many services provided by CDAIA through their annual training conference.
